**Attn: Certificate of Correction Branch****of Correction****REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. § 1.323**

Sir:

Pursuant to the provisions of 37 C.F.R. § 1.323, please enter the attached Certificate of Correction. The Certificate of Correction corrects claim 29 in issued Patent 7,643,725, as such, “. . . at least one of the second navigation units referencing more than one third navigation unit and including a single flag . . .” found at Column 9, lines 54-56 of the issued patent. This corrects a minor typographical error whereby “including” was inadvertently omitted. All other issued independent claims 1, 8, 15, 22, and 36 already recite the correct “including” language sought to be added to claim 29 in the Certificate of Correction. As such, correcting claim 29 as shown in the Certificate of Correction removes a minor, typographical mistake from the claim. The correction does not constitute new matter or require reexamination, because the exact, correct subject matter already exists in other issued claims. As such, entry of the Certificate of Correction is permissible under 37 C.F.R. § 1.323.
